EDITORIAL

- The month of May began on an energetic note with the Free Electives for Class 11 held on 3rd May. The event offered students a chance to explore interests beyond the curriculum and was attended by senior students, parents, teachers, and alumni. This was followed by a well-deserved summer break. While some students travelled across India and abroad, others cherished quiet moments at home with family and friends. The vacation brought not just rest, but lasting memories. When school reopened on 5th June, students returned refreshed and focused, ready to take on academics and the upcoming UT1 exams. The excitement continued with Student Council Elections, as students campaigned enthusiastically through posters and speeches. A fair and democratic process led to the election of council members, who were formally invested with responsibilities on Investiture Day, 14th June. The day also saw outstanding students and educators from all sections being felicitated for their achievements. Adding to the warm welcome was a delightful surprise from Nalanda's very own 'Vrindavan'- mango orchard. Mangoes served with salt and chilli powder—a simple yet memorable treat that made the return to school even sweeter. The term has begun with energy, purpose, and joy—setting the tone for a fulfilling year ahead.

HIGHLIGHTS

- Back to School :** Nalanda International School came alive on 5th June 2025 as students returned, filling the campus with laughter, chatter, and excitement. The day began with the "Welcome Oath," where students pledged to uphold the school's values and embrace learning with open minds. A warm tikka welcome by class teachers added a personal, festive touch. Some students were thrilled to reunite with friends, while others felt a little homesick. The sight of new additions to the school sparked curiosity. From eager nursery beginners to confident seniors, everyone stepped into a new chapter. Here's to a joyful and inspiring year ahead!

- **Robotics – A New Age of Learning** : Robotics has made an exciting entry into Nalanda's curriculum—from Preschool to Class 10! Our youngest learners were thrilled to meet Sparky, their new digital friend, who responds to commands and moves around playfully. While Sparky brings joy and curiosity to the Preschoolers, Robotics classes across grades are designed to introduce children to the fascinating world of technology through structured lessons. Nalanda has partnered with a renowned organization to deliver this program, aiming to enhance logical thinking, creativity, and problem-solving skills. With Sparky leading the way, our journey into tech-based learning has truly begun!

- **Mangoes from Nalanda's Vrindavan Orchard** : A sweet gift from nature, mangoes from our school trees were shared with every student. This juicy treat brought smiles, joy, and a sense of love and belonging. Celebrating the king of fruits on the first day added a refreshing twist to the routine. As students relished the mangoes together, laughter filled the air, creating cherished memories and stronger bonds—what a perfect way to welcome summer and a new school year!

PRE SCHOOL

- **First Morning Magic!** : Our tiny tots experienced their very first morning assembly—and what a delightful sight it was! All Preschool children gathered in a common space, beginning the day with a prayer and shloka. The session included the calendar, educator introductions, and set the stage for future celebrations, birthdays, student performances, and key announcements. A beautiful start to many meaningful mornings ahead!
- **New Learning - New Adventure** : The Jr. KG children are thrilled to be in their new classes—this year, they've moved from mats to their very own desks and chairs! The transition has been exciting, and their beaming smiles say it all. As part of their Practical Life Skills (PLS) activity, they are learning how to pull out a chair, sit properly, and use the footrest. A small step in routine, but a big leap in growing up!

JUNIOR SCHOOL

- **Assembly** : The quote "It is the teacher that makes the difference. Not the classroom." by Michael Morpurgo truly came to life during the first week's morning assembly activities in the Junior School. Since it was the beginning of the new school year, the assemblies were led by the educators. The theme for the week was "Learning from our Mistakes," and each day featured a different activity to help children understand and reflect on this idea.

- **Inspiration in Motion: A Mock Assembly for Middle Schoolers** : To set the tone for the upcoming student-led assemblies, Middle School educators presented a lively and inspiring mock assembly in the first week. This engaging session showcased the format and expectations through a blend of thoughtful reflections, poetry recitation, news reading, prayers, impersonations, and an interactive quiz. By modelling each segment with enthusiasm and creativity, the educators provided a clear and motivating example for students to follow. The mock assembly served as both a guide and an inspiration, setting the stage for meaningful student participation.
- **World Environment Day** : On June 5th, 2025, Middle School marked World Environment Day with a special assembly focused on the theme “Beat Plastic Pollution.” The program began with an introduction on the importance of conservation, followed by a science experiment to highlight key environmental concepts. Students and educators took a heartfelt pledge to reduce waste, conserve resources, plant trees, and help restore the planet. A skit by Class 12 Humanities and Commerce students emphasized the urgent need for afforestation, making the event both impactful and inspiring.

MIDDLE AND SENIOR SCHOOL

- **Ballots, Banners, and Budding Leaders - Nalanda Elects with Pride** : Democracy came alive at Nalanda International School as the student body enthusiastically participated in the much-anticipated house prefect elections. Representing the four houses—Jal, Vayu, Agni, and Prithvi—candidates stepped up with passion, confidence, and a strong sense of responsibility. The campaign trail was marked by vibrant, student-made posters that lit up the corridors, each echoing house pride and leadership values. Speeches followed, where young leaders voiced their vision and inspired peers. Voting day was the true highlight—each student proudly casting their ballot, embracing the spirit of democracy. The event not only nurtured leadership but also united the school in purpose and pride.

SENIOR SCHOOL

- **Free Elective 2025** : The Free Elective Competition, Speak Up and Make a Difference, held on 3rd May, was a powerful platform for Class 11 students to voice their ideas and passions. Each participant chose a topic of personal relevance, conducted extensive research, and crafted well-structured PowerPoint presentations complemented by thoughtfully prepared props. Their compelling speeches reflected not only depth of understanding but also confidence and clarity. Adding a special touch to the event, the judging panel comprised proud alumni of Nalanda International School, who were thrilled to witness the next generation of changemakers in action.

INVESTITURE CEREMONY - AWARDS, ACCOLADES, ACHIEVEMENTS!

- Nalanda International School proudly hosted its much-anticipated Investiture and Prize Giving Ceremony on 14th July, marking a day of honour, celebration, and inspiration. The event celebrated a wide spectrum of achievements from the academic year 2024–25, recognising students, educators and parents who contributed meaningfully to the school's growth and culture. Awards were presented across multiple categories — 100% attendance for both students, teachers and parents, outstanding performance in co-curricular activities, and recognition of board examination rankers and subject toppers. One of the most prestigious moments of the event was the announcement of the Nalanda Child of the Year and Educators of the Year — honours that symbolise the values, dedication, and spirit of Nalanda. The ceremony culminated with the official investiture of the new Student Council. The solemn pledge taken by the council members echoed their commitment to uphold the ethos of Nalanda. We were deeply honoured to have Shri Purshottambhai and Smt Rashmiben (grandparents of Kaira Patel), Shri Ramakantbhai and Smt Ilaben (grandparents of Srushti Choksi), Shri Jitendrabhai and Smt Nayanaben (grandparents of Ahar Sura), Shri Vinodbhai and Smt Veenaben (grandparents of Prakshi Suthar) as our guests of honour.

Swati Abhyankar, Pre School

Jyothi Balajie, Junior School

CITATION FOR SWATI ABHYANKAR AND JYOTHI BALAJIE

EDUCATOR OF THE YEAR AWARD 2024-'25

Swati Abhyankar

Swati Abhyankar joined Nalanda as a Pre School educator in 2022.

A willing and committed worker, she displays utmost dedication to all tasks assigned. She has a positive approach towards her work, which is a motivation and inspiration to her colleagues. She firmly believes in working with co-operation, understanding and respecting ideologies of her children and colleagues. Her positive leadership skills are worth a mention and she is a good example of humility and perfection.

She shows enthusiasm, hard work, loyalty and positivity, and often works beyond the call of her duty.

Her polite, patient, responsible and loving persona makes her a complete educator. She has good subject knowledge and plays an instrumental role in helping her colleagues and children with day to day activities. She displays a very good rapport with her children, and always strives to bring out best in them.

She is a committed educator and participates in all events and activities of the school with enthusiasm, positivity and energy.

Displaying a constant willingness to learn, explore and take up new challenges, she is an asset to the institution.

With good wishes for success in her future endeavours, on this 14th day of June, 2025, Nalanda International School takes great pleasure in conferring upon Ms. Swati Abhyankar, the Nalanda Educator of the Year Award for the year 2024-'25.

EDUCATOR OF THE YEAR AWARD 2024-'25

Jyothi Balajie

Jyothi Balajie joined Nalanda International School in 2019, as an educator, in Pre School and later moved to Junior School. Her professional journey in Nalanda has been truly successful.

Along with being extremely passionate, meticulous and dedicated, she is systematic, organized and demonstrates exemplary time-management. She is extremely helpful to everyone and is an excellent role model to her students and colleagues. She guides and trains her colleagues effectively as and when required, in various aspects.

She exhibits excellent teamwork and is supportive and dependable. Her ability in handling her students and ensuring that every child learns, makes her an approachable class teacher.

She has excellent subject knowledge. She also has an excellent hold on a variety of computer applications and continuously upgrades her learning which makes her extremely tech savvy.

She has proved herself at all times, even in the digital teaching-learning mode. She works beyond the call of duty.

She is firm and has a good connect with her students and communicates with them with ease and charm. Her positive spirit and attitude that she displays in her class is truly commendable.

With good wishes for success in her future endeavours, on this 14th day of June 2025, Nalanda International School, takes great pleasure in conferring upon Ms Jyothi Balajie, the Nalanda Educator of the year award for the year 2024-'25.

NALANDA EDUCATOR OF THE YEAR 2024-'25

Tanzim Mirza, Middle School

Lalitha Rajesh, Senior School

CITATION FOR TANZIM MIRZA AND LALITHA RAJESH

EDUCATOR OF THE YEAR AWARD 2024-'25

Tanzim Mirza

Tanzim Mirza joined the institution as an educator in Middle School in 2023.

She has a praiseworthy command over Mathematics and she strives to make the study of this subject more interesting with a passionate delivery of her content. Her teaching techniques create interest and build aptitude in her students and often lead to effective classroom interactions.

Her love for students is observed in her rapport with them. She is firm yet friendly, possessing a natural flair for engaging conversations. While interacting with them, she is impartial, empathetic and well-versed with their psychological needs.

She never gives up on any student, and willingly takes extra classes for those falling behind, inspiring and equipping them to do better.

Being a Maths teacher does not stop her from being creative and artistic. She undertakes art-based activities and has a beautiful handwriting.

Having a congenial nature, she is well received by her colleagues and students. When any problem arises, she solves it with calmness, without causing panic.

Shouldering responsibilities well, she works with honesty and integrity. She embodies the school spirit by being confident and vibrant, spreading positivity and cheer.

With good wishes for success in her future endeavours, on this 14th day of June, 2025, Nalanda International School, takes great pleasure in conferring upon Tanzim Mirza, the Nalanda Educator of the Year Award for the academic session 2024-'25.

EDUCATOR OF THE YEAR AWARD 2024-'25

Lalitha Rajesh

Lalitha Rajesh joined us as a Senior School Educator in 2021.

Lalitha has an excellent command over her language and has strong communication skills. She brings in humour in the class and lightens the learning process making it interesting and easy for the students. She is well read and thus adds new dimensions in the teaching process by connecting the textual information with its real life instances. She has a strong persona that commands respect from her students and colleagues. Her strengths lie in her Oratory skills, her interpretation of content, easy and simple teaching, her rapport with students and confident pose.

She is always excited to contribute and share ideas for literary events and is a notable contributor in guiding and mentoring students for various competitions.

She has provided rigorous training to students for 'All India Competitions' such as Frank Anthony Debate and Albert Barrow Creative Writing competition and international competitions such as Macfair and Reflections. With the ample opportunities and exposure at Nalanda Lalitha has enhanced her skills further and is playing a very crucial role in providing ideas for scripts and guiding students for drama for our annual event 'Symphony.'

Lalitha has been training students for inhouse competitions such as Elocution, Free Electives, Abhivyaakti and Community Service Programme. She firmly believes in working with co-operation, understanding and respecting ideologies of her children and colleagues. She strongly upholds school philosophies and firmly propagates them by setting an example herself.

With good wishes for success in her future endeavours, on this 14th day of June, 2025, Nalanda International School, takes great pleasure in conferring upon Lalitha Rajesh, the Nalanda Educator of the year Award for the year 2024-25.

PARENTING TIPS - Setting the Tone Right from the Start

As the new academic year begins, it is essential for parents and children to start on the right note. At Nalanda International School, we believe that the foundation of a child's education is not just academics but also discipline, responsibility, and overall personality development. Here are a few important guidelines to help you support your child effectively throughout the year:

1. Discipline and Punctuality Begin at Home

Help your child understand the importance of being on time. A structured morning routine not only ensures punctuality but also sets a positive tone for the day. Children should arrive at school on time and be ready to participate actively in all activities.

2. Strict Adherence to School Transport

For safety and uniformity, all students must use the school bus for both arrival and departure, including on exam days. Kindly ensure that your child does not miss the school bus. Personal drop-offs or pick-ups are not permitted.

3. Healthy, Homemade Food Only

We strongly encourage the habit of eating fresh, home-cooked meals. Pack healthy and balanced lunches for your child every day. Avoid sending junk food, packaged snacks, or sugary drinks. See Nalanda Handbook for details.

4. Continuous Evaluation in Practice

Our continuous evaluation system means that every class activity, assignment, project, and interaction matters. Motivate your child to be attentive, sincere, and participative at all times, not just during exams.

5. No Holidays During Exam Days

The examination schedule is already mentioned in the school diary. We urge parents not to plan vacations or family trips during these periods. Regular attendance is critical for your child's progress.

6. Encourage Daily Attendance

Consistent school attendance helps maintain academic rhythm, social interaction, and emotional well-being. Try to avoid unnecessary absences unless absolutely essential.

7. Focus on Hygiene and Personal Grooming

Instill good hygiene practices such as daily bathing, clean uniforms, trimmed nails, and proper hair grooming. These habits contribute significantly to a child's self-esteem and overall impression.

8. Emphasise Positive Behaviour and Attitude

Model and reinforce respectful, responsible, and cooperative behaviour. Regular conversations about kindness, honesty, and responsibility can make a big difference.

9. Stay Involved through Parents' Workshops

We regularly organise parents' workshops to keep you informed and involved in your child's academic and emotional journey. Your active participation strengthens the school-home partnership that is so vital to your child's success. Records show that children or parents who participate in these workshops, generally have a better academic track record in school.

Let's work together to make this academic year a fruitful and fulfilling experience for our children. With your support, we can continue to nurture responsible, disciplined, and confident learners.
